WELCOME TO OPERIO

Your Trusted Corporate Solutions Partner

Managing a successful business should be simpler, smarter, and more efficient.

Established in August 2026 and based in Abu Dhabi, OPERIO provides integrated business solutions that support companies across multiple operational requirements, from business consultancy and insurance to technology, marketing, accounting, and corporate renewal management.

Our approach combines personalized service, digital solutions, and long-term business relationships, so you can focus on growth while we support your essential corporate requirements.

MESSAGE FROM MANAGEMENT

Building Partnerships. Creating Opportunities.

Running a business means managing compliance, employee insurance, digital transformation, marketing, documentation, and important renewal deadlines. Our objective is to bring these services together under one coordinated platform.

With a professional team and a technology-driven approach, we deliver solutions tailored to each client, and we look forward to building lasting relationships that contribute to our clients' continued success.

Management Team
OPERIO BUSINESS FZ LLC

WHO WE ARE

Our Vision, Mission & Values

OUR VISION

To become a trusted business solutions partner in the UAE by delivering innovative, reliable, and integrated corporate services.

OUR MISSION

To simplify business operations through professional expertise, digital technology, proactive renewal management, and customer-focused solutions.

Our Core Values

Professionalism

Maintaining high standards in our services and communication.

Integrity

Building business relationships through transparency and trust.

Innovation

Using technology to improve efficiency and business management.

Customer Commitment

Understanding client requirements and delivering personalized support.

Long-Term Partnerships

Creating sustainable relationships that support business growth.

Building partnerships. Creating opportunities.

WHAT WE DO

Running a Business Is Complex. We Make It Coordinated.

Six common business challenges, one integrated answer

THE CHALLENGE	THE OPERIO ANSWER
Licences, approvals & compliance requirements	**Business Consultancy & Corporate Services**
Employee insurance & risk cover	**Insurance & Risk Management**
Manual processes & digital transformation	**Technology & Software Development**
Tax, VAT & financial records	**Accounting & Tax Services**
Brand visibility & marketing	**Digital Marketing & Branding**
Missed renewals & expiry deadlines	**Smart Renewal & Compliance Management**

One Partner. Complete Business Solutions.

Coordinated services, one professional relationship

DIVISION 01

Business Consultancy & Corporate Services

Supporting Your Business at Every Stage

We help companies manage essential corporate requirements and reduce administrative complexity with coordinated, professional support.

01 Business Formation & Setup

Guidance through company formation and setup requirements.

02 Trade License Registration & Renewal

Support with new licensing and renewal processes.

03 Corporate & Government Documentation

Preparation and organization of required paperwork.

04 PRO Services

Coordination of government-related transactions.

05 Visa & Immigration Coordination

Support with visa and immigration documentation.

06 Corporate Compliance Assistance

Help keeping company records and requirements in order.

07 Business Advisory Services

Practical advisory support for company decisions.

Your Business Operations, Simplified.

Government-related services are coordinated according to applicable authorizations and client requirements.

DIVISION 02

Insurance & Risk Management

Protecting What Matters to Your Business

We help businesses identify suitable insurance solutions according to their operational requirements, coverage expectations, and budgets.

01 Corporate Group & Employee Medical
Medical insurance options for your workforce.

02 Individual & Family Medical
Health cover for individuals and families.

03 Motor & Fleet Insurance
Cover for single vehicles and company fleets.

04 Property Insurance
Protection for business premises and assets.

05 Business & General Insurance
General insurance solutions for company risks.

06 Policy Renewal Assistance
Support so cover is renewed on time.

07 Insurance Quotation Comparison
Side-by-side comparison of available options.

08 Claims Coordination Support
Coordination support throughout the claims process.

Our Approach

Understand Requirements → **Compare Available Solutions** → **Coordinate Coverage** → **Support Renewals**

Insurance placement and related services are subject to applicable UAE regulatory requirements and authorized arrangements.

DIVISION 03

Technology & Software Development

Technology Solutions Built Around Your Business

Every business has unique operational requirements. We build digital solutions around yours, rather than relying solely on standard software packages.

Websites

- Corporate & business websites
- E-commerce platforms
- Responsive web design
- Maintenance & support

CRM Systems

- Customized CRM systems
- Sales tracking
- Business workflow management
- Renewal management systems

Custom Software

- Web applications
- Business management portals
- Client dashboards
- Workflow automation & integration

OUR TECHNOLOGY PHILOSOPHY

Smart Technology. Better Business Performance.

Solutions designed to improve productivity, streamline processes, and support business growth.

DIVISION 04

Accounting & Tax Services

Financial Compliance, Organized

We provide accounting and tax-related business support that helps companies organize their financial responsibilities and stay compliant.

01 Corporate Tax Registration

Assistance with corporate tax registration requirements.

02 VAT Registration Assistance

Support with VAT registration and related documentation.

03 Bookkeeping & Accounting

Day-to-day accounting support for your business.

04 Financial Records & Documentation

Organized financial records and corporate documents.

05 Tax Compliance Coordination

Coordination support to keep tax obligations on track.

Clear records. Confident compliance.

Accounting & tax support tailored to your business

DIVISION 05

Digital Marketing & Branding

Grow Your Brand and Your Audience

We help businesses improve their digital presence, strengthen brand recognition, and connect with their target audiences.

01 Social Media Marketing & Management

Content and campaigns across your social channels.

02 Search Engine Optimization

Improve how customers find you online.

03 Graphic Design

Professional visuals for digital and print.

04 Branding & Corporate Identity

A consistent, recognizable brand across touchpoints.

05 Website Content Management

Keep your website content current and consistent.

06 Digital Advertising & Campaigns

Online advertising to reach your target audience.

07 Marketing Strategy

A clear plan that connects marketing to business goals.

Professional support. Effective digital solutions.

OUR FLAGSHIP SOLUTION

OPERIO Smart Renewal Management

Manage. Track. Grow.

One smart platform. Complete renewal visibility.

A CRM-based renewal and compliance solution that keeps businesses informed about important deadlines and corporate requirements.

Managing multiple business renewals manually can be time-consuming and increases the risk of missed deadlines. OPERIO replaces scattered reminders with one tracked, coordinated process.

How It Works

01

Centralize

- Centralized renewal dashboard
- Upcoming renewal visibility

02

Monitor & Remind

- Expiry date monitoring
- Renewal reminders
- Compliance information

03

Request & Renew

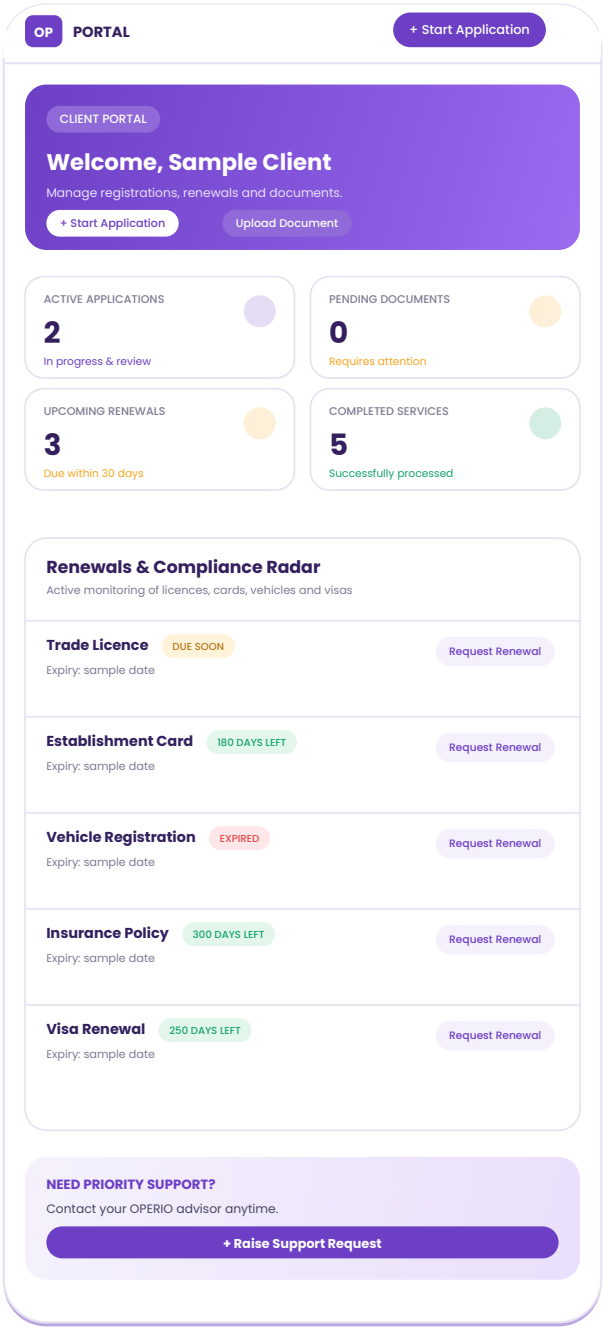

- Document requests
- Renewal assistance requests
- Professional corporate support

We Help You Stay Ahead of Important Business Deadlines.

Timely monitoring and assistance can help reduce the risk of unnecessary delays and late-renewal penalties.

CORPORATE CLIENT PORTAL

Your Business Renewals. One Convenient Dashboard.

Illustrative interface with sample data

OPERIO provides corporate clients with a dedicated portal designed to simplify renewal monitoring and service requests.

What Can Clients Do?

View Upcoming Renewals
Check key renewal dates on one dashboard.

Monitor Expiry Reminders
Stay informed about approaching deadlines.

Request Document Assistance
Submit requests for corporate documents.

Request Compliance Support
Contact OPERIO for compliance help.

Request Renewal Services
Ask our team to coordinate renewals.

Digital visibility combined with professional business support, in one centralized platform.

Technology That Keeps Your Business Connected.

WHY BUSINESSES CHOOSE OPERIO

More Than a Service Provider. A Business Partner.

01

Integrated Solutions

Multiple essential business services through one professional provider.

02

Technology-Driven

Digital tools designed to simplify business management.

03

Smart Renewal Tracking

Centralized visibility of renewal dates and compliance requirements.

04

Professional Team

Expertise across consultancy, insurance, technology, marketing, and corporate services.

05

Customized Solutions

Tailored to different company sizes, industries, and requirements.

06

Long-Term Partnership

Sustainable relationships built on consistent communication and support.

Your Growth Is Our Priority.

Our Approach to Client Relationships

Successful partnerships take more than completing individual assignments. We focus on understanding business requirements, maintaining consistent communication, and providing coordinated support across multiple services.

Our Clients. Our Commitment. Our Priority.

HOW WE WORK

A Simple, Professional & Transparent Process

STEP 01

Business Consultation

We begin by understanding your company, operational challenges, and service requirements.

STEP 02

Customized Proposal

Our team prepares a tailored service proposal based on your organization's requirements.

STEP 03

Client Onboarding

Once the proposal is approved, we coordinate onboarding and arrange the agreed services.

STEP 04

Ongoing Support

We provide continued assistance and renewal coordination according to the selected services and agreement.

Our Working Philosophy

Understand → **Plan** → **Deliver** → **Support**

Corporate service management that is straightforward, organized, and efficient.
